Miss Ruth Amet,
Editorial Rooms San Jose -Mercury-Herald,
San Jose, Calif.

Dear Miss Amet:

Dear Amy Bowen Hittell advises me that you would like to give editorial attention in your paper to my Spanish Songs of Old California, and I therefore send you an Editorial Copy.

I think you will realize the importance to Californians in particular, as well as to Music lovers everywhere-- of preserving, and in shape for us to use ourselves, the beautiful Old Songs that gladdened California before the Gringo came.

I should be glad if you would send me a copy of your review.

With best wishes,

Sincerely yours,
